Annex to CERTIFICATE – ASC  
CERTIFICATE N°: CUP-C863118-ASC-01-2019-SL

**ASC CERTIFIED AQUACULTURE OPERATIONS**

Control Union Peru has performed an inspection, as mentioned in the contract assigned by:

Name licensee SALMONES CAMANCHACA S.A.  
Address Avda. Diego Portales 2000 Piso 13, Puerto Montt  
Country of production Chile

This certificate, referred to in the licensee contract as scope certificate, covers the following **product(s)**, which meet(s) the criteria of the latest version of the ASC Standards as well as the ASC Certification Requirements:

Name of product	Trade name	Aquaculture operation	Location
<i>Salmo salar</i>	Atlantic Salmon	Pilpilehue Farm	Yal Channel, south-east Punta Terao area. Chiloé Island, Province of Chiloé, Los Lagos Region, Chile

Point at which certified products may enter a Chain of Custody: at the point where the fish is moved from the wellboat/live fish carrier and pumped into the waiting cages or delivered direct to the harvest/processing plant

More information about the licensee and/or products and/or units can be obtained at the website of CU ([www.controlunion/certification.com](http://www.controlunion/certification.com)) or in [www.asc-aqua.org](http://www.asc-aqua.org).

This certificate recommends the eligibility of the certificate holder to use the ASC label after obtaining and comply with a logo licence agreement with ASC and may claim that its aquaculture products are the result of "Responsible Aquaculture Farming".

The certificate holder has the right to claim that, subject to the scope of its certificate, its operation is certified in accordance with the specific ASC standard covered.

The certificate holder shall not make any claim about ASC certification on consumer facing products without a valid ASC logo licence.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website.

This certificate including the annex remains property of Control Union Peru and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform Control Union Peru immediately of any changes in the above mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to Control Union Peru or destroyed immediately on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents

More information about the licensee and/or products and/or units can be obtained at the website of CU ([www.controlunion/certification.com](http://www.controlunion/certification.com)) or in [www.asc-aqua.org](http://www.asc-aqua.org).

This certificate recommends the eligibility of the certificate holder to use the ASC label after obtaining and comply with a logo license agreement with ASC and may claim that its aquaculture products are the result of “Responsible Aquaculture Farming”.

The certificate holder has the right to claim that, subject to the scope of its certificate, its operation is certified in accordance with the specific ASC standard covered.

The certificate holder shall not make any claim about ASC certification on consumer facing products without a valid ASC logo licence.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website.

This certificate including the annex remains property of Control Union Peru and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform Control Union Peru immediately of any changes in the above mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to Control Union Peru or destroyed immediately on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents

In case of group certificate, the sites covered by this certificate and their individual scopes can be found on the ASC website.

More information about the client and/or products and/or units can be obtained at the website of Control Union Peru ([certifications.controlunion.com](http://certifications.controlunion.com)) or by contacting Control Union Peru.

This certificate recommends the eligibility of the certificate holder to use the ASC ecolabel after obtaining and comply with an ecolabel license agreement with ASC. Use of the ASC logo on (trade) products is only allowed for products mentioned under “products” in the annexes of this certificate.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website.

This certificate including the annex remains property of Control Union Peru and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above-mentioned data occur. The licensee is obliged to inform Control Union Peru immediately of any changes in the above-mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to Control Union Peru immediately on request.
